young people...

How It Works - Set Up

- Apply (MUST teach kids ages 8-18)
- Attend a video conference
- Receive access
- Get the kids excited to share their “idea worth spreading”

Do you plan on facilitating your TED-Ed Club as an activity outside the classroom or as classroom curriculum? *

- Activity outside the classroom
- Classroom curriculum
- Both

Do you plan to meet with multiple groups? (Ex. You are combining the TED-Ed Club format into course curriculum over multiple class periods.) *

- Yes
- No

Estimate the size of the group(s) you plan to meet with. (A group cannot exceed 50 members. If you will have more than 50 members in one group, an additional facilitator will need to apply to start a TED-Ed Club as well.) *

- 5-10
- 11-20
- 21-30
- 31-40
- 41-50
- I anticipate having more than 50 members.

My Experience with TED-Ed Club

- Focused on persuasive
 - Lead with a hook, end with a “call to action”
 - Included research
 - Students needed some outside sources
 - Delved into visual enhancements
 - Animation (iPads, Scratch)
 - Short plays the kids scripted
 - Photographs
 - Support from TED is phenomenal.

More Tips and Tricks

- Watch
 - Decide
 - Negotiables? Non-negotiables?
 - Be Flexible
 - Pay attention
 - Target mini-lessons
 - Introductions? Hooks? [Storytelling](#)?
 - Animation? Special Effects?
 - Practice, Practice, Practice
