Secondary Student Evaluation

Grade: _______  Cluster: ____________________________

We want to make our enrichment clusters even better, and we need your ideas. Please answer the questions below and tell us what you liked about your cluster. Please also describe what could be done to improve the clusters.

1. Did the clusters last too long, not long enough, or did they provide the adequate time to complete projects?

__________________________________________________________________________

__________________________________________________________________________

__________________________________________________________________________

2. How might the cluster schedule be changed to make it better?

__________________________________________________________________________

__________________________________________________________________________

__________________________________________________________________________

3. What did you like best about the clusters?

__________________________________________________________________________

__________________________________________________________________________

__________________________________________________________________________
4. How can we make our enrichment cluster program even better?

__________________________________________________________________________________
__________________________________________________________________________________
__________________________________________________________________________________
__________________________________________________________________________________

5. What did you learn in your cluster?

__________________________________________________________________________________
__________________________________________________________________________________
__________________________________________________________________________________
__________________________________________________________________________________
__________________________________________________________________________________

6. If this cluster could continue, what else would you like to learn and do?

__________________________________________________________________________________
__________________________________________________________________________________
__________________________________________________________________________________
__________________________________________________________________________________

7. What cluster topics do you suggest for next time?

__________________________________________________________________________________
__________________________________________________________________________________
__________________________________________________________________________________
__________________________________________________________________________________
